A few activity highlights:

October – “THE GREET”. Were you there? Professional Development. Fantastic networking of professionals who were both employees and entrepreneurs! Accounting, Banking, Credit, Financial Planners, Insurance, Non-Profits, Lawyers, Real Estate, Treasury and more. Among the vendors present was P. Harrell Wines, a delightful black winemaker.

December – The UFSC 2018 Planning Retreat with a complete SWOT Analysis was an in depth look at next steps for the San Francisco Bay Area Chapter. Members got to practice their “Leadership/ Creator/ Entrepreneur” skills that day!

– Our January 2018 meet up led by Chapter President Jason Matthews was fabulous. New members Tinarsha Brown and Marie Sturegll were introduced! Mr. Otis Watson also led a insightful professional development discussion on “Mentorship”. Noted in that discussion was the definition and dynamics of “Mentors” versus “Sponsors”.
